

UNLOCK THE POTENTIAL OF GRANTS

FREE INTERACTIVE ONLINE COURSES FOR NATIVES

SEPTEMBER 15, 2010 - ESSENTIAL GRANT SKILLS 2:00PM – 4:00PM EST

Improve your ability to win grants, avoid common mistakes and take your grants skills to the next level. Participants will gain valuable insight into submitting successful grant proposals, learn how to avoid common errors even experienced grant writers make, how to answer the funders questions about proposals, better understand the grants planning process, find and prioritize funding sources, match funders to your needs, and the importance of networking. Participants should have a good understanding of how to use the internet and/or have some familiarity with grant writing, and the NLC recommends taking its' ABCs of Grants course prior to Essential Grants Skills course.
